

BAPTISMAL CERTIFICATE

Were you baptized at St. Mary Magdalene? YES NO

If YES, you do not have to upload a copy of your baptismal certificate. You need to complete the fields on the screen. If you do not know your baptismal date, enter your birthdate and I will get you actual baptismal date from the church office.

If you were NOT baptized at St. Mary Magdalene, a copy of the candidate's baptismal certificate must be uploaded. You must provide a copy even if one was provided to St. Mary Magdalene's church in the past (such as for First Communion.)

If you were baptized in a non-Catholic church, you need to also upload a copy of your Profession of Faith certificate. If you do not have the Profession of Faith form, let me know ASAP so that you can do a Profession of Faith before Confirmation.

You will need to enter the following information on the Baptism page.

Baptismal Date _____

Church where candidate was Baptized _____

Mailing Address of Church (street address, city, state, zip-code) * _____

*If the church has closed, enter the name and mailing address of the church that is handling the Baptismal Certificates from the closed Church. After Confirmation, a letter will be sent to this church so they can note on your Baptismal Certificate when and where you were Confirmed.
