

SPONSOR ELIGIBILITY FORM

If the sponsor is registered at St. Mary Magdalene, the sponsor does not need to submit a Sponsor Eligibility Form. I will verify with the church office that they are registered at St MM.

If the sponsor is NOT registered at St. Mary Magdalene, the sponsor must submit a Sponsor Eligibility form. We do not provide the form. It is obtained from the church where the sponsor is registered. The sponsor should contact their church and request the form or letter.

Ask your sponsor to send you a copy of the form/letter so that you can upload it to the website. Some churches will want to fax or mail the form/letter to the church office. The fax is shared with the school, so make sure to tell your sponsor to have the church send it to the attention of Liz Sams.
